

## **PROFESSIONAL SUMMARY**

Aspiring Music Producer with hands-on experience across all stages of songwriting and production, from lyrical creation and recording to mixing and mastering. Strengths include technical proficiency in digital audio workstations, session workflow optimization, composition arrangement, creative sound design, and critical mix analysis. Special abilities in both crafting detailed audio effect chains and managing clean, dynamic mixes. A collaborative and fast-learning person who adapts quickly to new tools and integrates feedback effectively. Key competencies include:

- Technical Fluency
- Professional Communication
- Creative Problem-Solving
- Team Collaboration
- Independent Learning
- Sound Design

## **PROFESSIONAL EXPERIENCE**

### **UNIVERSITY OF COLORADO BOULDER, Boulder, CO**

**2025**

The premiere, flagship institution of the University of Colorado system.

#### **ATLS 3200 - Sound Learning Assistant**

Leading independent recitation lectures that support students in learning Ableton 12 Suite, using personally developed slide presentations and demonstrations that focus on defeating Ableton's learning curve.

- Empowering students to pursue their creative ambitions by using personal production knowledge to inform students.
- Providing personalized feedback and coaching on sound and music composition by allocating class time for project presentations.
- Inspiring students to grow creatively by relating music production to personal experiences and highlighting the importance of music in the modern day.

### **SAFEWAY, Parker, CO**

**2024-2025**

A national grocery chain known for quality, value, and community impact.

#### **Deli Associate**

Responsible for preparing and serving deli products, fulfilling closing procedures, and maintaining cleanliness, food safety, and equipment standards throughout the work station.

- Accelerated evening workflow by coordinating with team members to complete closing duties efficiently and assigning tasks based on timeliness and individual strengths.
- Established a reputation for thoroughness by consistently exceeding sanitation expectations when time allowed.
- Fulfilled multiple closing responsibilities by alternating between customer service, food preparation, equipment shutdown, and cleaning.

**TARGET, Parker, CO****2021-2023**

General merchandise retailer offering household essentials, apparel, electronics, and groceries.

**Technology Sales Consultant**

Maintained department operations by organizing and restocking, while engaging with the guests in a welcoming and informed manner. Upheld a clean, organized, and guest-oriented shopping experience.

- Improved department organization by collaborating with managers and sales floor team members to adjust shelf layouts and divide workloads more efficiently.
- Advised guests on product description, availability, and location by staying up-to-date on merchandise details and store layouts.
- Maximized guest satisfaction by maintaining a patient, positive attitude and embodying Target's core values: Care, Grow, and Win Together.

**INDEPENDENT PROJECTS****BOOK SHARE VIDEO**

Created an informative video, analyzing *Dopamine Nation: Finding Balance in the Age of Indulgence* by Anna Lembke, reflecting on its themes from a personal lens. Served as the sole writer and animator of this video, including original music to shape its tone and emotional impact.

**SPOTIFY CREATIVE DELIVERABLE**

Studied Spotify's behavior-based algorithm and its impact on listener preferences. Sole writer and animator of a concise six-minute explainer video detailing processes such as song analysis, data collection, collaborative filtering, and content-based filtering.

**ACTIVITIES & INTERESTS****MUSIC PRODUCTION CLUB****2024-Present**

A platform for students to refine their technical skills, participate in hands-on learning experiences, and gain valuable feedback on their musical projects from peers. A vibrant community of artists passionate about music eager to explore music production and deepen their understanding of the craft.

**MUSIC INDUSTRY CLUB****2025**

A student organization that is committed to providing members with an array of knowledge pertaining to all aspects of the music industry. A driven group that aims to inspire and motivate those who would like to work in the industry, as well as offer necessary insights into various careers.
